

THE NATIONAL TRIBUNE PREMIUM LIST.

Given for Clubs and Single
Subscribers.

AN UNEQUALLED ARRAY OF OPPORTUNITIES.

HERE is a series of articles of the highest merit, which we will give all our friends the opportunity of obtaining in the easiest possible way. Our object in offering these splendid premiums is to reward our subscribers.

We have been at great trouble and expense in making up this list of premiums. We have had two prime considerations in view as to the character of the articles: First, we have accepted nothing but the very best things; and, second, we have insisted upon arrangements direct with the manufacturers at the very lowest rates, so as to be able to give our subscribers the advantage of the lowest possible offers.

We have accepted no cheap-grade jewelry. There is no so-called aluminum gold, fire gilt, or other such things, which are simply polished brass, but everything in the list is of a class we can warrant exactly as represented.

We have also demanded and secured from the manufacturers only the latest and most fashionable styles.

We expect that every subscriber will find something he or she will want, and will send us the club required and get it.

We mean, of course, in each case where we say clubs or subscribers, subscribers to THE NATIONAL TRIBUNE for one year, and the full price of the paper, viz., \$1 a year for each subscriber, must accompany the name sent.

Write all addresses very plainly, giving full name, Postoffice, County and State. Much trouble is saved by never omitting the County, because there are so many post-offices of the same name. If the County is omitted, it is sometimes difficult to tell whether Nevada or Nebraska, Mississippi or Minnesota is meant, for example.

In ordering, be particular to give the number of the article as well as the name.

The best way to send money is by Postoffice Money Order, in which case it may be sent at our risk.

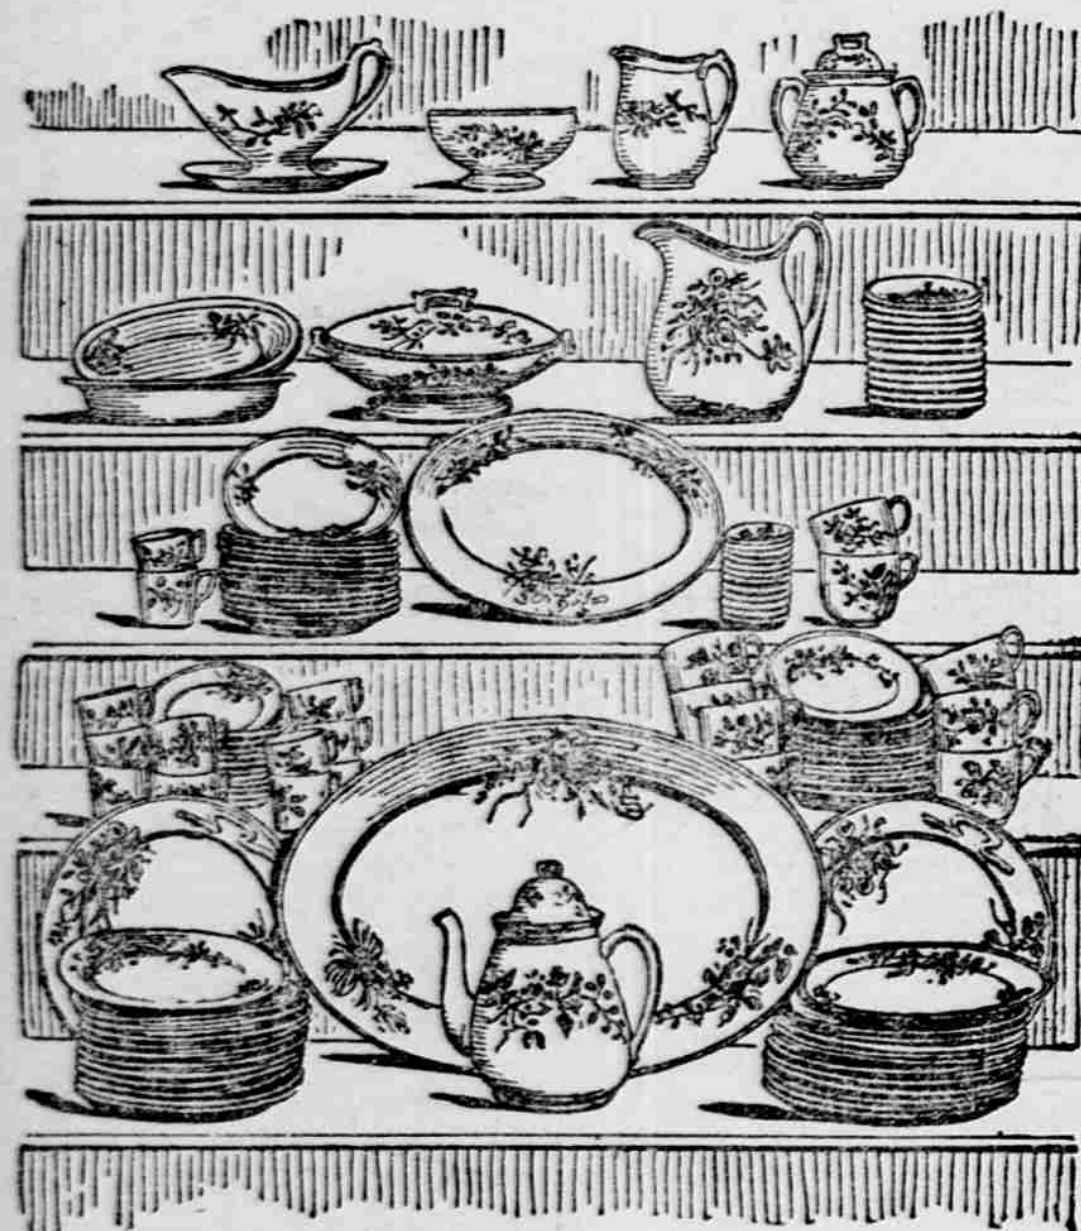

If your local Postoffice is not a money-order office, the best way is to register your letter. Money may also be safely sent by Express Money Order or Bank Drafts. Do not send local bank checks. Remember also that postal notes are no safer than money or stamps enclosed in an envelope, being cashed by anyone into whose hands they may fall. Postage stamps are a drug, and, while taken, are very inconvenient, because we have more now than we can use, and the Government does not redeem them.

No goods will be sent C. O. D.

OUR DECORATED CHINA

AT CUT PRICES.

Read Below the Four Selections to Suit Various Tastes
and Needs.

DURING the past two years we have supplied hundreds of sets of our Decorated China to people all over the country, and it has never failed to give perfect satisfaction. It is made especially for us at the largest and best pottery in the United States. We buy in very large quantities, and thus we are able to supply this elegant ware as described below.

In the struggle for the American market with the pauper-made goods of Germany and England, our manufacturers have reduced the cost of production to the lowest notch and maintain wages. Profits are down to almost nothing. Being able, therefore, to make a larger contract than any dealer in the country, we have secured the ware at a lower price, and our patrons get the benefit of the bargain. We are able now to make a grand combination of four different sets to choose from.

Our China is highly ornamental, being decorated in three colors, with a design of fruits and flowers, in addition to which there is a gold band about the edge, as shown in the cut, which is made from a photograph of a set of the China we offer.

In order to save space, all the pieces are shown in one picture. The reader can readily tell which are referred to. The same plates, teapot, sugar-bowl, etc., go with all the sets, but in the larger offers more and more pieces are added to the tea set. All are of the same beautiful style of decoration. First is

A 56-PIECE TEA SET.

It consists of 12 plates, tea size; 12 fruit saucers, teapot and cover, sugar-bowl and cover, a creamer, one bowl, one dozen teacups and saucers to match, one bread plate, and one cake plate.

DINNER AND TEA SET COMBINED, 84 PIECES.

This beautiful set comprises 12 breakfast plates, 12 tea plates, 12 cups, 12 saucers, 12 fruit saucers, 12 individual butter plates, two cake plates, one teapot and cover, one sugar-bowl and cover, one creamer, one soap bowl, one large meat platter, one large and stylish gravy-boat, and one large vegetable dish and cover; in all 84 PIECES, making a complete dinner or tea set for any table.

EXTRA DINNER AND TEA SET COMBINED, 100 PIECES.

This set is the same as the 84-piece set, with the addition of the following beautiful and useful articles, viz: 12 pie plates, one pickle dish, one water pitcher, and two bakers, or uncoated vegetable dishes; in all 100 PIECES.

GRAND EXTRA DINNER AND TEA SET COMBINED, 125 PIECES.

This is the same as the 100-piece set described above, with the addition of the great turkey platter and one dozen after-dinner coffee cups and saucers to match.

HOW TO SECURE IT.

First, the Tea Set. We will send this beautiful 56-piece tea set, by express or freight, for \$6.25, or for a club of 10 yearly subscribers and \$4 additional; or we will give it free for a club of 20 yearly subscribers at \$1 each, with \$1 added to pay cost of packing and handling.

The 84-piece dinner and tea set combined will be sent to any address in the United States as a Premium for a Club of 10 yearly subscribers at \$1 each and \$6.25 added; or for a Club of 20 yearly subscribers and \$3 added; or free as a Premium for a Club of 40 yearly subscribers, with \$1 added to pay cost of packing. For sale at \$10.35.

The grand extra dinner and tea set combined will be sent to any address in the United States as a Premium for a Club of 10 yearly subscribers and \$9.25 added; or for a Club of 20 subscribers and \$6.75 added. Sent as a free gift to a Club of 40 subscribers in a Club of 60 yearly subscribers and \$1 to pay part cost of packing. For sale at \$12.50.

The China will be carefully boxed and shipped by express or freight, the receiver to pay charges of transportation. Fast freight takes a little more time than express, but it is preferable, unless the goods are needed in a special haste; because the charges are very much lower by freight, and, in fact, except to very distant points, amount to but a trifle.

THE G.A.R. WATCH

A Handsome Timepiece

FOR
National Tribune Subscribers.

The Latest Product of the Elgin
and Waltham Factories.

No. 302.

The above cut conveys a good idea of one of the great G.A.R. Watches made expressly for our subscribers. So many have called for them that we have at last decided to sell these elegant Watches at so low a price that all veterans may enjoy the possession of handsome, durable and accurate Waltham and Elgin Watches. The G.A.R. Watch is either a Waltham or an Elgin, as the purchaser may choose. The works are made from the finest selected material. Each contains eleven valuable jewels, tempered steel springs, compensating expansion balance, patent safety pinion, stem-winding and pendant-setting apparatus, full plate, a dust-band that excludes every particle of dust, quick train, jeweled balance, selected porcelain dial, and all the latest and greatest improvements. The case is made of nickel silver, a composition just as handsome and durable as coin silver. The case is dust-proof, need never be opened, because the Watch winds by turning the crown (or stem), and sets by pulling it out till it clicks, then pressing it back into place after setting, a wonderful feature that makes this Watch unique. On the back of this case the "G.A.R." badge, the emblem of glorious service, patient suffering and triumphant victory, is engraved by hand. As the fortunate purchaser sees this beautiful reward of patriotism a thought will come to his mind of the boys in blue who never saw a "G.A.R." badge, but who gave up their lives in battle. This Watch is well worth double what we ask for it, but we have placed the price so low that all may get it. We will send it for a club of 10 subscribers and \$5 added money.
